

Treesa's blog:

Its been a busy few months for Treesa Greene, spearheaded by Jill Martin and Rachel Tynan.

Whilst winter normally spells quieter months Jill and Rachel have been using the time to focus on the Treesa Greene website, through regular newsletters and special promotions .

You may have also seen them out and about at regional golf clubs as they attend tournaments in different areas, displaying the wonderful range of women's apparel they stock.

Treesa Greene is located at the Titirangi Golf Shop and attracts a large number of visitors. The Titirangi Golf Shop was recently named as a finalist in the TOP SHOP awards, these awards incorporate not only the image and products but also the service provided in the store.

Treesa Greene is now gearing up for summer with new season stock already on the website, check out the hot new colour for summer - AUR purple shirts, or the new Jamie Sadock tops that have just hit the stands. View our products at www.tgshop.co.nz
